

## Tung Wing Hong

Born in 1985, Hong Kong  
Currently lives and works in Hong Kong

Tung Wing Hong is a visual artist, programmer, fabricator, and mechanist. He currently lives and works in Hong Kong. He also offers his expertise in art production and technical support for local artists and tertiary institutions. Exploring the spectatorship of art and spatial sensation, he creates site-specific installation combining moving images and mechanical movement. The interaction of two time-based media interests him and sets off his continuous experimentation.
